---

## St. Paul Intergroup COVID-19 Update

---

Per the “Stay-At-Home” order issues today (3/25/2020), by the Minnesota Governor, the Intergroup Office will be closed beginning at 6:00 PM on Friday (3/27/2020). **You can find further information regarding the Stay-At-Home Order** and its application to A.A. groups at <https://mn.gov/governor/covid-19/faq/>. The FAQ answer to AA groups meeting is the last item.

We will resume open office hours at a future date, hopefully after the two weeks the Governors Order suggests. We will post any notices of this on this website.

The phones (651.227.5502) will continue to be answered during the normal office hours, and some of the questions and services you might conduct will be provided to you at a reduced level.

We will continue to provide meeting information changes in our online directory, which will continue to be accepted and managed through the dedication of our website team, as they are communicate to by the staff at a remote/home office.

Speaker assignments for speaker meetings, as well as Temporary Sponsorship assignments and 12<sup>th</sup> Step assignments will NOT be provided (with the exception of assignments made by our Night Owl volunteers—who will ask someone to CALL the person requesting a 12<sup>th</sup> Step. No personal visits will be arranged) due to this “Stay-At-Home” order.

We do this to ensure that we do not participate in placing our members, volunteers or staff members in harm's way and to be responsible Minnesota corporate and spiritual citizens.

Should you have any questions, you are welcome to call the usual Intergroup phone number (651.227.5502), or email us at [lifeline@aastpaul.org](mailto:lifeline@aastpaul.org), and we will provide all the information at our disposal.

Dennis B.  
Executive Director
