

Web Servant Report for Tuesday, 18 September, 2007

Web Site activity since 21 August 2007

The following activities have occurred since the last report:

- Updated meetings, events, etc. as necessary.
- The new site design went live. Of course there were some issues with Internet Explorer: Version 6 displayed the left sidebar in the center of the screen, and version 7 didn't display the left sidebar at all, but those issues were resolved in less than a week after they were reported. In general, the site is behaving quite well.
- The new Board sub-domain, <http://board.aastpaul.org/> is operational.
- I will have the new usage report built before the next reporting period at the October Intergroup Council meeting.
- There are 567 regular weekly meetings in the area served by this local service office.
- I met with representatives of the Area 35, Area 36 web committees to see if we can assist them in getting a statewide meeting directory built, but they will only be adding AAWS registered groups to the listing, and it will take some time for them to get organized to decide what they want.

Statistics for the Month of August 2007

This is a recap of the interesting bits of the web site usage statistics, which are on the back of this report.

- Usage is stable this month. Once all the traffic is consolidated in the new site the numbers should stabilize. Overall, traffic is up over last year
- People get to the site most often from Google if they don't know our web address which is: www.aastpaul.org

General

Please take this back to your meeting so that others can see how your Intergroup is serving the AA community through the web site.

If you know anyone in the fellowship who is a serious web developer that has PHP, MySQL and other web development skills, and is looking for a great service job, it would be helpful for them to contact me via email at: webservant@aastpaul.org.

Just a reminder: If your group is having a special event with AA content, like a group anniversary potluck meeting with a speaker, you may forward the flyer to me to be posted in the events directory.

If you have any other questions, please contact the office, or email me directly at the address above.

Thanks for allowing me to be of service to you,
Jonathan
