

Web Servant Report for Tuesday, 19 February, 2008

Web Site activity since 15 January, 2008

In addition to the regular activities of maintaining the site (meeting updates, events, and other changes requested by the office) the following activities have occurred since the last report:

- I updated all the instances of the abbreviation for Saint (St.) to the full word for consistency
- I updated the Night Owl site with the questions asked, and the other content which needed changing from the October 2007 Night Owl workshop.
- I have yet to build the new usage report built for everyone to see, but I did extract the numbers, which are on the back of this report.
- I corrected a broken link, which was sending people to the missing info page.
- There are 572 regular weekly meetings in the area served by this local service office.

Statistics for the Month of January, 2008

This is a recap of the interesting bits of the web site usage statistics, which are on the back of this report.

- Page statistics were at an all time record this month.

General

Please take this back to your meeting so that others can see how your Intergroup is serving the AA community through the web site.

If you know anyone in the fellowship who is a serious web developer that has PHP, MySQL and other web development skills, and is looking for a great service job, it would be helpful for them to contact me via email at: webservant@aastpaul.org.

Just a reminder: If your group is having a special event with AA content, like a group anniversary potluck meeting with a speaker, you may forward the flyer to me to be posted in the events directory.

If you have any other questions, please contact the office, or email me directly at the address above.

Thanks for allowing me to be of service to you,
Jonathan
