

Web Servant Report

Web Site activity since 21 April 2009

In addition to the regular activities of maintaining the site (meeting updates, events, and other changes requested by the office) the following activities have occurred since the last report:

- I finally got the web hosting company to give us a month of credit for the site outage that occurred in February.
- Progress continues on the creation of the Intergroup management application being built to replace the current website.
- There are 618 regular weekly meetings supported by 260 groups in the area served by this local service office.

Statistics for the Month of April and May, 2009

This is a recap of the interesting bits of the web site usage statistics, which are on the back of this report.

- Page counts were down for April, but rebounded in May to set new record highs for visitors, total pages served, and meeting searches.
- Our primary web address is: www.aastpaul.org also reachable at aastpaul.org without the www

General

Please take this back to your meeting so that others can see how your Intergroup is serving the AA community through the web site.

Just a reminder: If your group is having a special event with AA content, like a group anniversary potluck meeting with a speaker, you may forward the flyer to me to be posted in the events directory. Please remember that any flyers that you request to be posted must comply with the traditions for inclusion on the website; including, no last names, no promotion, and must have AA content.

If you have any other questions, please contact the office, or email me directly at the address above.

Thanks for allowing me to be of service to you,
Jonathan
