

Web Servant Report

Web Site activity since 15 July 2014

Activities

In addition to the regular activities of maintaining the site (meeting updates, events, and other changes requested by the office) the following activities have occurred since the last report:

- There are 689 regular weekly meetings supported by 286 groups in the area served by this local service office. Up one meeting for the month.
- There are service opportunities available on the Web site.
- There are lots of Night Owl Shifts open.

Statistics for the Month of July, 2014

This is a recap of the interesting bits of the web site usage statistics, which are on the back of this report.

- Home page views and meeting searches were down slightly, and everything else was up.
- Search engines ranking was consistent.
- Our primary web address is: www.aastpaul.org also reachable at aastpaul.org without the www

General

Please take this back to your meeting so that others can see how your Intergroup is serving the AA community through the web site.

Just a reminder: If your group is having a special event with AA content, like a group anniversary potluck meeting with a speaker, you may forward the flyer to me to be posted in the events directory. Please remember that any flyers that you request to be posted must comply with the traditions for inclusion on the website; including, no last names, no promotion, and must have AA content.

If you have any other questions, or suggestions, please contact the office, or email me directly at webservant@aastpaul.org.

National AA Technology Workshop

I attended the first NAATW weekend in Saint Louis, Missouri on 8-10 August. The workshop was outstanding. There were no major disagreements that we as technologists and non-technologists alike can work together better to help improve service to the still suffering alcoholic by better employing technology to help carrying the message.

Here are a few things that really struck me:

- The group liked the way that we handle outreach to close the loop on meeting directories that are constantly out of date.
- Some sharing was given that gives me a whole new perspective on deaf AA, their culture, the problems that they have, and the fact that the general perception in the deaf community is that AA is a government program so we should always have interpreters. We have a big cultural divide to overcome.
- I got some information that will help me update the meeting search so that we can have a “radius search” to assist people who are new to the area, and might not be familiar with the zip codes, neighborhoods, et cetera.
- We formed a service committee to carry on the work and to have another conference next year; but I didn’t put Saint Paul on the hook to host the conference.
- I have CD’s of all the sessions that I am in the process of converting to MP3s and will turn them over to the office to be the custodian of them as soon as I have completed this work.

Thanks for allowing me to be of service to you, your group, and the fellowship,
Jonathan
