

Web Servant Report

Web Site activity since 20 August 2019

Activities

In addition to the regular activities of maintaining the site (meeting updates, events, and other changes requested by the office) the following activities have occurred since the last report:

- There are 731 regular weekly meetings supported by 290 groups in the area served by this local service office. Down one meeting from last month.
- There are service opportunities available on the Web site, take this back to your group for discussion.
- There are open Night Owl shifts.
- The content management software for the board and night owl sites was upgraded with security patches and bug fixes.
- The website code has been updated to bring the site to the current level of the scripting language. The items in the “City – Area (Zip Code)” selection list all have at least one meeting in order to be included in the dropdown. Attempted update of the site on Labor Day, 2019-09-02, but ran into issues. Reverted the site to the existing working version, and completed the upgrade on 2019-09-05 when Seth and Jonathan got together. Finalized the “City – Area (Zip Code)” selection problem 2019-09-16.
- Notified AAWS of the location change of the data extract for the MeetingGuide. The meeting feed does not include a link to all the meetings for the group as it did in the past due to changes at AAWS. Still working with them to figure out how to add that back to the MeetingGuide listing.
- Jonathan is still working on a solution to the problem of bots looking for pages that don’t exist that throw off our page statistics.
- Seth has begun working on the administrative interface for the office to update the meeting directory.
- Thanks to Sergey for doing the updates so that Seth and I can concentrate on coding activities.

Statistics for the month of August, 2019

This is a recap of the interesting bits of the web site usage statistics, which are on the back of this report.

- All indicators were down slightly for the month, but well within parameters.
- Our primary web address is: www.aastpaul.org also reachable at aastpaul.org without the www. Connection security is active, so if you attempt to connect with http: you will be redirected to https:

General

Please take this back to your meeting so that others can see how your Intergroup is serving the AA community through the web site.

Just a reminder: If your group is having a special event with AA content, like a group anniversary potluck meeting with a speaker, you may forward the flyer to me to be posted in the events directory. Please remember that any flyers that you request to be posted must comply with the traditions for inclusion on the website; including, no last names, no promotion, and must have AA content.

If you have any other questions, or suggestions, please contact the office, or email me directly at webservant@aastpaul.org.

Thanks for allowing us to be of service to you, your group, and the fellowship,

Your web team,
Sergey, Jonathan, Seth, and Adam
